

The Days of the End-Time Elijah—

The Ezekiel WATCHMAN

“Behold, I will send you Elijah the prophet before the coming of the great and dreadful Day of the LORD!”

Malachi 4:5; Matthew 17:10-11

The End is of the Age is not yet!

“And you will hear of wars and rumors of war. See that you are not troubled; for all these things must come to pass, but the end is not yet!

“For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earth quakes in various places.”

“All these things are the beginning of sorrows.”

Russia/Ukraine

At the time of this writing, 3-7-22, Russia is continuing to wage war against Ukraine with the intent and effort of bringing that country back into its former fold—*mother Russia* (cf. *Ezekiel 39:1*). He believes Russia is forever.

President Putin announced on Thursday, 2-24-2022, a military action in Ukraine and warned other countries any attempt to interfere with the Russian action would lead to consequences you have never seen.

This action of war, and the threat made against any nation who would dare interfere with its warring against Ukraine, including

America, or any other nation, has the implied threat of bringing nuclear warfare on them as made known by Senator Cruz on Fox News Sunday, 2-20-22.

Alarmingly, the news media reported, as of February 27, 2022, a new development has taken place with President Putin ordering Russian Nuclear Deterrence Forces to be on high alert.

It would appear this is no empty threat! When pushed against a wall and no way out one can expect such a leader to unleash whatever forces of destruction is at hand for deliverance. Though hoped not, it appears this could conceivably take place.

Now officials in Russia are warning Finland and Sweden they would face “serious military and political repercussions” if they should join the North Atlantic Treaty Organization (NATO).

IS RUSSIA ABOUT TO GO NUCLEAR?

written by David Mark February 28, 2022

“Putin’s move of opening his nuclear arsenal caught the world by surprise and raised the stakes by turning the Russia-Ukraine war from a regional conflict to a global one. While there are a bunch of theories on why Putin raised the stakes, most appear unconvincing.

The fact is Vladimir Putin has never been unhinged. He is a cold and calculating leader who has been successful over the last 20 years by carefully projecting his might as well as utilizing his energy resources in ways to take control of European markets.

Ultimately, this war is all about NATO and NATO expansion. Putin is no Hitler and while he may have his sights on Kiev as well as some sort of control over the Levant, including Jerusalem, that’s about it. Putin wants a strong Mother Russia that is back in charge.

After all, the Soviets were humiliated by the West. Russian culture is all about honor and

Putin believes his destiny is to restore Russian honor and hegemony. So why the nuclear arsenal?

As the war grinds on and taking longer than Putin assumed, [NATO began moving forces](#), including fighter jets to its eastern flank. NATO's move started before Putin announced he opened his nuclear arsenal.

Russia clearly responded to NATO threats and sees the NATO advancement as a direct threat to it.

Regardless of Putin being culpable in invading Ukraine, his decision to open the arsenal is probably the best way to create deterrence when it comes to NATO amassing a large force near his border.

The lesson in all of this, is that the Russia-Ukraine War is really a war between two global powers – NATO and the Russian Federation with Ukraine caught in the middle. With Putin upping the ante by putting his nuclear arsenal on alert any wrong move by NATO and especially the Biden administration may spell doom to the entire planet.”

The Real Reason Behind the War Others Fail to Grasp

Though there is no justification for Putin invading Ukraine than Hitler invading Poland during World War II, but he foresees what will happen to Russia if Ukraine and others of the former Republic of U.S.S.R become members of NATO.

From that point of view, Putin has more vision of what the future portends than all others, and he is fighting for Russia, while seeking to restore the U.S.S.R., the Union of Soviet Socialist Republics, back to its former state.

INTERNET: “In a world where the victor determines the narrative, Putin’s Russia is set to break apart Ukraine and push back on NATO’s constantly expanding alliance.

If anyone assumes that the only responsible party in the current war is Vladimir Putin, they are mistaken. There have been clear warnings to NATO by Russia experts for years that uncontrolled NATO expansion will eventually spark a war with Russia.” End of Quote.

The Fulfillment of Bible Prophecy

Though, *unrealized*, what President Putin is doing fits with Biblical prophecy of the end-time. A future time when Russia will be joined with other nations in Asia and become a power-bloc to fight a life and death battle with Europe.

At the same time, Europe will also have become a power-bloc, the Holy Roman Empire, consisting of 10 nations in Europe (*Revelation 17:12-13*).

Biblical prophecy speaks of this end-time warfare. **Ezekiel 38:1-2.**

Now the word of the LORD came to me, saying, “Son of man, set your face against Gog (Gog constitutes a people; Gog appears to be a group of people in Mongoloid group), of the land of Magog (may mean in the land of Gog), the prince of Rosh (Russia—white Russians. Prince possibly referring to his high role as the political and military leader over the assembled peoples), Meshech (Moscow), and Tubal (Great Russians), and prophesy against them. ... Persia (Iran), Ethiopia, and Libya are with them.

NOTES: Gog, in the land of Magog is the vast regions of the U.S.S.R. in northern Eurasia extending from the Baltic to the Pacific. Meshech is Moscow. Tubal is Tobolsk identified in Genesis 10 as the sons of Japheth, father of the Eurasians.

Russia has been formed by the association of a number of great tribes (having over 100 languages).

Ezekiel 38:4-6 refers to the Soviet Union and every major Oriental and Asian race in evidence—including China.

Ezekiel, chapters, 38-39, pictures the “Far North”, not East. Does not say where China, Japan, and India, will be. Though the role of China has yet to be seen, it appears to be closely allied with Russia.

Gomer and all its troops; the house of Togarmah (*Mongoloids*) from the far north and all its troops—many people are with you (a massive power-bloc of nations, Joel 2:1-2, the future war of Armageddon. To be fought in the valley of Jehoshaphat—just outside Jerusalem. Joel 3:2).

Putin’s Present Fears

President Putin’s actions are being driven for the past great Soviet Republic, the U.S.S.R, to return to its former state. His fears of a stronger unified Europe on his borders could prevent that from happening.

In short, because of his military invasion in Ukraine, Putin has begun uniting Europe. And their unification spells real trouble for America in short time to come. This is made known by Biblical prophecy for the end-time.

Two Major Reasons Why the War with Russia and Ukraine

There are two major reasons why this war is now taking place between Russia and Ukraine. They are as follows:

1. The Almighty God Rules in the Kingdom of Men

Though mankind is oblivious to the inner-workings of the spirit world, the Almighty God in heaven above *rules* in the kingdoms of men. ***Without this understanding there is no way for one to know and understand the underlying purpose for this ongoing war.***

Scripture makes known God’s ever-present rule over all nations—**Daniel 4:17.**

“... In order that the living may know that the Most High rules in the kingdom of men, gives it to whomever He will, and sets over it the lowest of men.”

Always, God rules—**Psalm 66:7**

“He rules by His power forever; His eyes observe the nations; do not let the rebellious exalt themselves (Case in Point: Nebuchadnezzar, Daniel 4:28-33).”

God removes one leader, and replaces him with another—**Psalm 75:5-7.**

“Do not lift up your horn on high; do not speak with a stiff neck. For exaltation comes neither from the east nor from the west nor from the south (north is not mentioned—God’s throne is in the far north—from there He judges mankind) but God is the Judge; He puts down one and exalts another.”

2. God Has A Time Table

And with GOD’S sovereign rule over all nations on earth, He also has a Time-Table that covers this present age, a 6,000 year period of time. ***This also must be understood.*** Otherwise, one cannot know where this world is heading, and the timing of its ending!

For GOD’S rule over nations and time-table go hand in hand. Together, they make known His Master Plan for mankind that covers approximately 7,100 years.

With this recognition and belief in mind, one can begin grasping the reality of what is presently taking place with Russia’s ongoing war with Ukraine, and their destined objective of seeking for the rulership of the world (*Armageddon*). It will fail (*Psalm 2*).

Within GOD’S time-table, mankind has been allotted 6,000 years to learn his *self-reliance*, i.e., dependance on himself, without the reality of God in his life, is leading to self-destruction. And it would except for God’s intervention at the precise time needed!

To understand this 6,000 years of allotted time, God has patterned it after the six-day work week (*Genesis 1:4-31; 2:1*). It will be followed by the seventh day, which pictures the millennial reign of Jesus Christ—one thousand years.

Further, Scripture reveals a day is pictured as a year (*Ezekiel 4:3-6, a day for a year; Numbers 14:34*). A day is also pictured as a thousand years (*II Peter 3:8*).

With these numbers in mind, and considering mankind’s history, having begun almost 6,000 years ago (*Genesis 1:26-27; 2:7, 18, 23*), the overall view of GOD’S Master Plan for mankind within His time-table brings the blurred picture into focus with understanding.

Though he was not fully correct in his numbering, Bishop Usher had man’s beginning in 4004 B. C. (*Genesis 1:26*). Calculating even that number by chronology, and otherwise, it becomes easy to see the allotted time for this age is almost completed—believed to be **year-2029—only seven years from now.**

And with this war between Russia and Ukraine, ***GOD’S plan has begun fast-forwarding***— speeding toward its fulfillment— preparatory to the return of His Son Jesus Christ back to this earth (*Zephaniah 1:14*).

Jesus Christ will then begin His direct *iron-rule* over all the nations of this earth from His Temple on Mount Moriah in Jerusalem (*cf. II Chronicles 3:1; Ezekiel 37:28*).

Europe Waking Up to Fulfill Their Future Role

In the interim, it needs to be emphasized, this military action by President Putin has begun uniting Europe. Though not fully at this time, nevertheless, they are moving forward toward their final destined role as made known in end-time prophesy.

This will be made known later in his writing.

Vladimir Putin – the man who just united Europe

By [DENIS MACSHANE](#)
LONDON, 28. FEB, 16:40

War is famous throughout history as the midwife of revolution. But no-one could have imagined just a short week ago when Vladimir Putin launched his invasion of a European democracy, Ukraine, that in just a few days there would be a revolutionary change not seen in Europe, since – well – the days of the Bolshevik upheavals of 1917.

In short, Putin has united Europe as never before.

We are witnessing the emergence of the EU as a military power. We are seeing Finland and Sweden consider joining Nato thus reversing decades of non-Nato policy. ...

The Macron-Scholz tandem – Chancellor of Germany] Olaf Scholz with one short but decisive speech moves into the front rank of European and democratic world leaders.

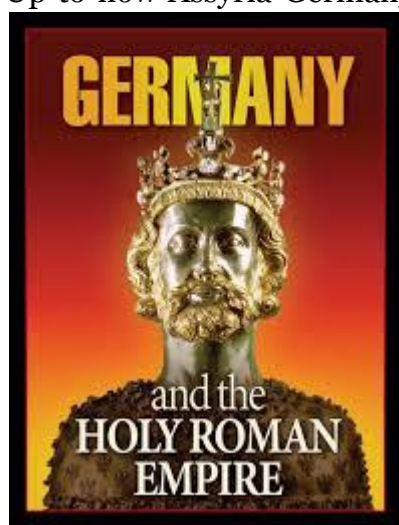

Assuming (as is likely) Emmanuel Macron [French President] wins a second five-year term in April the Macron-Scholz tandem will be the dominant leadership of a European Union that has not enjoyed effective leadership this century. End of Quotes

Preparation for the Rising of the Holy Roman Empire

While viewing Russia waging war with Ukraine and threatening to use nuclear warfare to achieve his objective, the Europeans, *led by Germany*, are waking up to the realization they have to be prepared to fight their own battles.

Without realizing it, they are beginning to fulfill prophesy of the end-time. And it began with Putin attacking Ukraine.

Up to now Assyria-Germany has been *slumbering*. Though they do not yet fully know their prophesied role to be used as the battle-axe nation with the Beast of the Holy Roman Empire, they are beginning to *stir* from their slumber to that end (*Nahum 3:18*). **Revelation 9:1-3. The First Woe**

v.1 Then the 5th angel sounded: And I saw a star fallen from heaven to the earth (Satan the devil fallen from heaven, Revelation 12:12). And to him was given the key to the bottomless pit.

v.2 And he opened the bottomless pit (to awaken Assyria-Germany from their slumber, Nahum 3:18), and smoke arose out of the pit like the smoke of a great furnace. And the sun and the air were darkened because of the smoke of the pit. (smoke to cover their intentions—their promise made to return and wage war again with America toward the end of World War II.

The Plot Against the Peace, by Michael Sayers and Albert E. Kahn, Chapter 1: THE HIDDEN RESERVES, page 11: “One day we shall come back. Until then, à bientôt (Sée you soon.).»

The last words of an anonymous German military spokesman over the Nazi radio in Brussels on September 1, 1944.).

A further quote from the same book:

“THE German General Staff has always regarded military defeat as merely a temporary phase of war. The war goes on. Battle strategy becomes underground conspiracy; artillery is replaced by propaganda; wartime espionage becomes post-war political intrigue, assignation, and secret preparation for new military attack.” End of Quotes

To understand the *mind-set* of many yet today in Germany, consider the following letter written by a Hitler youth girl named Maria, who undoubtedly reflected the minds and thinking of many at that time—that of bitterness and desire to retaliate for having been conquered by America (*Isaiah 10:7*).

THE PLOT AGAINST THE PEACE, MICHAEL SAYERS and ALBERT E. KAHN, Chapter one, Page 91:

“I hate the Americans! One thing they cannot take away from us. We will start a new life under the old principle that we have been taught—to live means to fight. Wait and see who laughs last. ... These pigs are afraid of us!” End of Quotes

v.3 Then out of the smoke locusts came upon the earth (Nahum 3:14-17). And to them was given great power (in short time to come connect with the other nine

nations in Europe), as the scorpions of the earth have power (its sting causes great pain; barbaric cruelty—the worst of the nations-Ezekiel 7:24).

To give some insight into their wartime *barbaric cruelty*, note what was said in the following speech by Winston Churchill in 1941.

A Speech given before Congress by Winston Churchill

In his address before the U. S. Congress, Winston Churchill made known the ruthless forces of Germany they would be facing to achieve victory during World War II.

Churchill's Frank and Candid Speech before the U. S. Congress

December 26, 1941. The speech then took a tough turn as Churchill walked Americans through the difficulty of the task ahead. And the nature of our enemies.

“The forces ranged against us are enormous. They are bitter, they are ruthless. The wicked men and their factions, who have launched their peoples on the path of war and conquest, know that they will be called to terrible account if they cannot beat down by force of arms the peoples they have assailed.

They will stop at nothing. They have a vast accumulation of war weapons of all kinds. They have highly trained and disciplined armies, navies, and air services. They have plans and designs which have long been contrived and matured.

They will stop at nothing that violence or treachery can suggest. It is quite true that on our side our resources in manpower and materials are far greater than theirs. But only a portion of your resources are as yet mobilized and developed, and we both of us have much to learn in the cruel art of war.

We have therefore, without doubt, a time of tribulation before us. In this same time, some ground will be lost which it will be hard and costly to regain. Many disappointments and unpleasant surprises await us. Many of them will afflict us before the full marshaling of our latent and total power can be accomplished.” End of Quotes

Remember—the six million Jews, men, women, and children, who were brutally murdered by the Nazis during World War II? We forget so quickly. Yet, it will happen again—soon!

Prophecy Moving Rapidly Forward to Its Fulfillment

Prophecy is opening up before our very eyes—that is for those who have been given the eyes to see with understanding! And it is beginning to take place with Assyria-Germany,

and the development of the Holy Roman Empire that will follow, believed to be during the year—**2024**. However, Germany will probably be fully militarized before that time.

What is now beginning to take place in Europe is only a precursor to what is to take place at that time.

The 4th Reich—The Holy Roman Empire

Note the following recent alarming news article making known the 4th Reich, the Holy Roman Empire, is in the thinking and planning for the near future:

Polish Deputy Prime Minister Accuses Germany of Using EU to Create ‘Fourth Reich’

By CHRIS TOMLINSON 26 Dec 2021

Poland’s Deputy Prime Minister Jaroslaw Kaczyński, leader

of the country’s governing ruling Law and Justice party (PiS), has accused Germany of trying to create a “Fourth Reich” by pushing for a European Union federal state.

Empire. ...

Last week, Germany’s Chancellor Olaf Scholz made his [first visit to Poland](#) to meet with Poland’s Prime Minister Mateusz Morawiecki, with the latter noting his opposition to a centralised EU superstate and saying such a move would be “bureaucratic centralism” and adding that “Europe will be strong if it is a Europe of sovereign states.” End of Quotes

Germany’s Nuclear Weapons

The Independent wrote on November 30 [2021]:

“The president of Belarus has suggested his nation will take advantage of access it has to nuclear weapons via its Russian ally, should Nato decide to arm parts of Europe with

similar machinery. It comes amid increasing tensions between Alexander Lukashenko and the EU over the current migrant crisis on the border shared by Belarus and Poland.

“Less than two weeks ago, Jens Stoltenberg, Nato’s secretary-general, announced in a statement that US nuclear weapons currently stationed inside Germany could well be moved to ‘other European countries’... However, he added: ‘I expect that Germany will continue to be part of nuclear sharing, because it is so important for Europe.’

“... Mr. Stoltenberg said in his speech on 19 November that Nato’s ‘aim is a world free of nuclear weapons’. But, he added, ‘as long as others have them, we must have them too.’”

World Leaders are Perplexed and Troubled

Presently, with the threat of nuclear warfare by Putin has created fear of the use of the big bomb in the lives of many people.

The fear of it being used has been troubling since the birth of the nuclear age, 16 July 1945, Now the realistic threat of it is alarming to society.

It now has come to be a time so critical to the survival of all human life that, as the late former president Ronald Reagan, termed it - **“Armageddon!”** - meaning *the end of this world is at the door!*

It is realized by the leaders of the nations of this world that human life now hinges on the elusive and vain hope that no madman who now possesses the hydrogen bombs with the missiles that can carry them to their preprogrammed targets will unleash this awesome, **destructive power!**

They also well knew it would be just a matter of time before someone will detonate those deadly bombs on some unsuspecting nation that could then branch out and trigger **nuclear war** with other nations who have the same bombs!

And many knowledgeable leaders and high-ranking officials worry about it! They know sooner or later this beautiful planet earth could well become a **burned up** barren planet without human life. Though it is not always voiced, they feel it will be just a few short years at the most when all life will *perish*, and be no more!

Though the world over the many years has become dull to this fear, it is now being revived with what President Putin is now threatening to use nuclear power to achieve his victory over Ukraine.

Aside from the people in Ukraine, people are troubled in many nations, including here in America. Fearful about the possibility of the beginning of World War III.

It is also being reported, no matter how Vladimir Putin’s invasion of Ukraine ends, it already *marks a turning point in history*: the end of a 30-year period of relative peace in Europe and a return to hostility between Russia and its neighbors — a kind of Cold War 2.0.

INTERNET: “The first Cold War, from 1947 until 1991, divided the world between two hostile blocs. The United States and the Soviet Union reached the brink of nuclear war at least three times, most famously in the 1962 Cuban Missile Crisis, then negotiated a series of agreements to reduce the risk of conflict. Eventually the Soviet Union, burdened by a sclerotic economy, simply collapsed.

Three decades later, that thumbnail history may sound oddly comforting: All’s well that ends well. But living through the Cold War, complete with bomb shelters and nuclear attack drills, was anything but comfortable.

The world is different now. Russia is smaller and arguably weaker than the Soviet Union [*Russia has been formed by the association of*

Sample shelter in Long Island

a number of great tribes—having over 100 languages]; the North Atlantic Treaty Organization, the U.S.-led alliance, is larger.

But that doesn't mean the outcome is predictable.”

“This is a new situation,” warned John Lewis Gaddis of Yale, the dean of American Cold War historians. “This is not a cold war; this is a hot war — and it directly involves one of the great powers.”

In response to Russia's invasion of Ukraine, the United States and its allies have quickly assembled an updated version of the Cold War strategy of "containment" — countermeasures to deter Moscow from further aggression.

Western aid to Ukrainian forces could be a trigger as well, whether it's overt help to Ukraine's government or covert aid to resistance fighters.

“I'm guessing that this will happen — military, economic and material support to Ukrainians resisting a Russian occupation,” Kupchan said.

“It does not come without risk.... If arms are coming from Poland, does that mean the Russians will start tinkering with Poland? If Putin is reckless enough to go into Ukraine, he may be reckless enough to test NATO.”

Putin has already intimated that he reserves the right to use nuclear weapons if he feels threatened by foreign powers — a startling escalation of rhetoric.

“Whoever tries to hinder us, and even more to create threats to our country and our people, should know that Russia's response will be immediate — and it will lead you to such consequences that you have never encountered in your history,” he said in his speech last week announcing the invasion.

[A few days later, he upped the ante further with the public announcement of a Russian nuclear alert. WSJ March 5-6, 2022, Page c-3]

Finally, the map of Cold War 2.0 includes one more new element: a powerful China.

During most of the 20th century Cold War, China was a poor country, a relatively minor player economically and militarily.

Now it's an economic superpower and Russia's most important ally.” End of Quotes

COMING FOR UKRAINE?

written by David Mark March 2, 2022

“... No one disputes what Putin is doing is illegal, but NATO and the USA, which is its patron, were warned since the early 2000’s that expanding NATO closer and closer to Russia, would eventually elicit the sort of war Putin is now waging.

If the West knew this, then why did they do it? Why sacrifice Ukraine to some sort of Post Cold War game they are playing with Russia?

The answer is control. The West is dying. It lacks a purpose; a reason to exist. Its leaders who are essentially bureaucrats, sense that their control is slipping. They lost faith with the public over the corona pathogen; a trumped up pandemic they wanted to use for their economic Great Reset.

The public turned on them and so now, a war, which is essentially NATO’s proxy war with the Russian Federation. This war is giving them the purpose they claim they are meant for. But if Putin was another Hitler, why give him an inch? Why allow him to just take control of Ukraine? Isn’t NATO meant to stop aggression just like this?

NATO needs a villain to have a reason to exist. And now Putin is that villain. In the 21st century game of global control, the wars that are fought are rarely for ideology, but rather between elite groupings of corporate leadership combined with each side’s military machine. Nothing is truly pure in today’s wars. ...

War is ugly. People die in war. The West is hoping that Putin stops in Ukraine, but unfortunately NATO’s war may actually spiral out of control and pull the rest of the world into it. If so, the scale of death and destruction will be unthinkable, and all could have been avoided if the thirst for power within the global elite was quenched long ago.”

Great Concern with Troubled Minds

Considering the consolidation of these two powerful nations, Russia, and China, along with the threat of nuclear war, and where it could lead, has parents everywhere very concerned about their families, their children, and grandchildren. Will they have a future? Or, will they perish in the midst of nuclear warfare.

Will Russia declare war on America for intervening, though covertly, trying to stop their takeover of Ukraine? When viewing on television what people are experiencing in Ukraine and knowing they could be next with nuclear warfare facing them, society is very worried here in America as well as in Britain and elsewhere.

Where is This Leading on the World Stage?

This question is answered by Mr. Herbert W. Armstrong, the man Jesus Christ used in this end-time to preach and make known the answer to what is now taking place as well as what to expect during the few years remaining before Jesus Christ returns to this earth and begins His iron rule in the kingdoms of man.

The following radio broadcast was made by Mr. Armstrong before his death in 1986. In this taped broadcast Jesus Christ used him to make known through the prophecies of the Holy Bible what can be expected in the relatively near future.

Making Sense of This War by Russia and Its Future

Outline of **Prophecy 13 - Russia's Coming Attack On Europe!**

Excerpts from a Radio Broadcast

by

Herbert W. Armstrong

(With added excerpts)

“The Unseen Enemy”

My friends, while we are looking for good news tomorrow [when Christ returns], we're in a very troubled world now. Now what's prophesied to happen to Russia. Where does Russia fit into Biblical prophecy?

I've been telling you, my friends, that there is no prophesy showing that Russia is going to attack us now. Later, Russia will [*during the millennial reign of Jesus Christ (Ezekiel 37:1-23)*].

But in the mean time I have been showing you in many, many programs for some weeks now ..., what is going to happen to the United States. ...

The Real Danger is Being Aroused From Slumber—

Now then, that Roman Empire is to be revived (*aroused from slumber, Nahum 3:18*), and is coming out of what is called the bottomless pit (*Revelation 9:1-13, the first woe*).

It is to be resurrected and it is going to last just a short time (*Revelation 13:5. Three and one-half years*), and it'll be with ten dictators (*Revelation 17:12-13*), and in the territory of the ancient Roman Empire, Europe and around the Mediterranean.

There isn't any definite territory because the Roman Empire continued for many centuries, and at one stage, it occupied one geographical location and at another stage, another geographical location.

There isn't any definite geographical outline that it must occupy but it will be the old Roman Empire (*Revelation 13:15*). Essentially, it will be fascist; you can be sure of that. And, it is now rising and its going on underground [*this is made known in a related article in this issue, entitled Petra Place of Safety*], and we seemed to be too stupid somehow to see it.

We (*meaning, the leadership of nations*) don't know what's going on in the world. God says that it's going to come up. But this, my friends, is the final resurrection of this whole system of Gentile empires and Gentile governments. ...

But it's going to rise out of the so-called bottomless pit once again and when it does it'll be a dictatorship, that is a combination of ten dictatorships in the same old territory over there (*Revelation 17:12-13*).

This is not Russia!

This is a Fascist system and it's only going to last for a little time, and they are going to fight Christ at His second coming so they will not come on the stage of world action until just before the second coming of Christ (*Armageddon*). A very, very few years, a very, very short time [*believed to be year-2029*].

Now then, this is speaking of that battle, and you are going to see the connection between this and Russia.

Where does Russia fit in? Now we come to the 15th chapter of Jeremiah, the 50th and fiftieth-first. ... open your Bibles and see this. This is going to happen. You're going to see it happen.

This my friends, is the outcome; this is where world conditions are today and all this trouble between United States and Russia is where we are heading. Listen, it's in your Bible! Now this is very, very important. Let's get it: ... End of Excerpts

A Nation Totally Corrupt

Prior to the death of Moses, the LORD God used him to speak to Israel, Manasseh and Ephraim, America, and Britain, of their utter corruption at the end-time. **Deuteronomy 31:28-29.**

“Gather to me all the elders of your tribes, and your officers, that I may speak these words in their hearing and call heaven and earth to witness against them.

“For I know after my death you will become UTTERLY CORRUPT, and turn aside from the way which I have commanded you; and EVIL will befall you in the LATTER DAYS, because you will do evil in the sight of the LORD [Revelation 18:5; Luke 17:26-30], to PROVOKE Him to anger through the work of your hands.” Deuteronomy 31:28-29.

A Nation Void of Counsel

A most tragic time! And America and Britain are *blinded* to their fate as determined by the LORD God who also *lamentably* spoke of this end-time—*many long years ago*—Deuteronomy 32:28-29, 35.

“For they are a nation void of counsel, nor is there any understanding in them. Oh, that they were wise that they understood this, that they would consider THEIR LATTER END. ... Vengeance is Mine, and recompense, their foot shall SLIP in due time; for the DAY of their CALAMITY is at hand, and the things to come *HASTEN* upon them.” Deuteronomy 32:28-29, 3.

“Oh, that they were wise”—listen to the song of Moses, part 4:

God is Furious!

Because of the rejection of God, and His laws, with the acceleration of abominable and worsening sins, America, Britain, and the world, are moving forward to meet their *rendezvous* with destiny in just a very few short years as Scripture makes known—Zephaniah 1:14-18.

vs.14-15 “The great Day of the LORD is near; it is near and hastens quickly. The noise of the Day of the LORD is bitter; there the mighty men shall cry out. That day is a day of wrath, a day of trouble and distress, a day of devastation and desolation, a day of darkness and gloominess, a day of clouds and thick darkness,

vs.16-17 “A day of trumpet and alarm against the fortified cities and against the high towers (*military fortifications*). I will bring distress upon men, and

they shall walk like blind men, because THEY HAVE SINNED AGAINST THE LORD. their blood shall be poured out like dust, and their flesh like refuse.

v.18 “Neither their silver nor their gold will be able to deliver them in the day of the LORD’S wrath; but the whole land shall be devoured by the fire of His jealousy, for He will make speedy riddance of all those who dwell in the land.” Zephaniah 1:14-18.

The Foregoing a Precursor of the Future and Finality of America and Britain as Nations

All of the foregoing is a precursor to the near future. The time when those Scriptures spoken by God and Moses, as well as many others, spelling **DOOM** for America and Britain will take place! And not without cause! Severe chastening by God for their abominable and worsening sins (*Ezekiel 7:5-10*).

A most sad and tragic time. One could wish it would be otherwise. Sadly—it will not happen. It could if national repentance before God were to take place—**Ezekiel 33:11**.

“Say to them: ‘As I live,’ says the Lord GOD, ‘I have no pleasure in the death of the wicked, but that the wicked turn from his way and live. Turn, turn from your evil ways! For why should you die, O house of Israel!’ Ezekiel 33:11.

Short of repentance, this will be a most terrible and tragic time for everyone. A repeat of world war II—only far worse this coming time.

For it will include the ravages of famine, disease epidemics, nuclear warfare, and slavery.

World Peace is on the Horizon

We can only pray God will speed the day when mankind will come to be at peace with one another—no more threats, no more wars and plundering other nations.

And this will soon come to pass as God makes known. A wonderful blessing from Him is in the near future for all of mankind—*peace and harmony on the horizon*—the time when Jesus Christ returns to this earth.

He will then begin His iron rule over all the nations of the earth, **as KING OF KINGS AND LORD OF LORDS** (*Revelation 19:11-16*).

“Thy Kingdom Come.”
